

THE QUEST FOR WHOLENESS — PART 1

PAGES 39–58

KEEPING IN TOUCH

- *So have you figured out how a classic love story could possibly relate to you?*
- *After Jeanette and Nelson’s sad story of unfulfilled love, are you ready for your own story to have a happier ending?*

The Quest for Wholeness

*Each of us has a twin soul, or twin flame,
who was created with us in the beginning...
with the same spiritual origin and... pattern of identity.*

1. What was the purpose and original plan for twin flames? (pp. 39–40)
2. Why did twin flames who incarnated on earth lose their state of perfection and what is required to regain it? (pp. 40–41)

3. What is the mistake that people often make and what is the real key to finding your twin flame?
(pp. 41–42)

Alchemical Marriage

1. Why is achieving a certain level of oneness with your Real Self important to you and your twin flame? (p. 43)
2. What are some elements of the alchemical marriage? (pp. 43–44)

Creation of Twin Flames (pp. 45–50)

T'AI CHI

Representing the masculine and feminine polarity of God's wholeness, T'ai chi rotates and divides into two identical spheres—twin flames of the One.

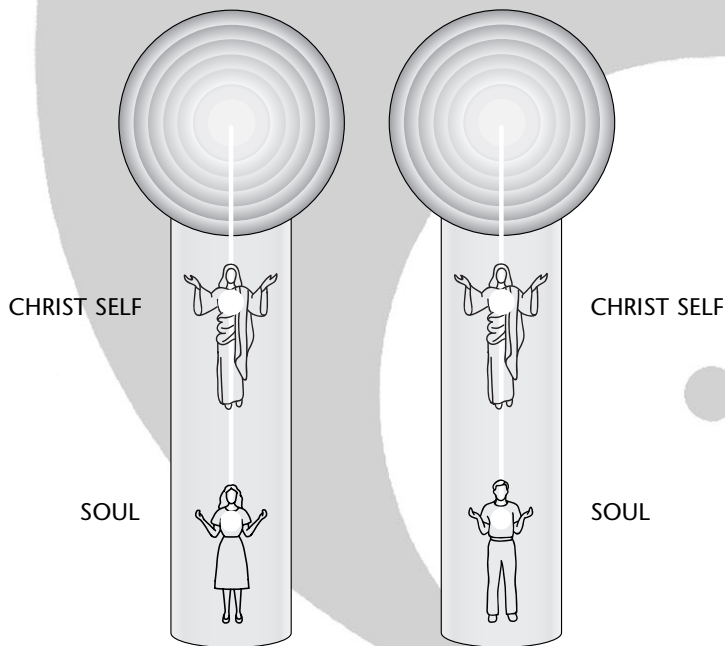

TWO SPHERES—

TWIN FLAMES OF THE ONE

Each sphere has its own I AM Presence surrounded by the rings of color, of light, which make up the Causal Body.

ONE SOUL IN A FEMININE BODY

ONE SOUL IN A MASCULINE BODY

Each I AM Presence then sends forth a ray—a soul. Each soul focuses the opposite polarity—one, masculine, the other, feminine. Between the soul evolving on earth and the I AM Presence is the Christ Self—our personal mediator between Spirit and Matter, the I AM Presence and the soul. By exercising free will and gaining mastery, we may unite with our Christ Self in the 'alchemical marriage.'

ADAM AND EVE
symbolize the testing required by God of all twin flames. Each of us came forth from Spirit to fulfill our mission to take dominion over the earth.

Fallen from the state of perfection (Eden) through our own misuse of free will, we have been separated from our twin flames for many incarnations.

As twin flames misqualified the energy of God, they created negative karma—energy that forms layers of negativity in their auras separating them from their own I AM Presence and their twin flame.

Daily use of the violet transmuting flame can strip this karma—such as resentment, irritation, anxiety, frustration—of its negativity, purify it, and return it to the Causal Body as our “treasures stored in heaven.”

We can unite with our twin flame at inner levels, amplifying the flame of God within our hearts, and using the dynamic polarity of our love to fulfill our mission.

After we have each become immortal God-free beings, one with our Christ Self and I AM Presence, our ultimate union with our twin flame occurs in the plane of Spirit.

Inner Contact of Twin Flames

1. How does what you do affect your twin flame? (pp. 51–52)

MAKING IT A REALITY:

Spiritually Connecting with Your Twin Flame

(pp. 52–53):

You can accelerate your spiritual progress by asking your I AM Presence for inner heart contact with your twin flame. Even if you're not physically with your twin flame, you can unite spiritually at inner levels and direct light into your own world and the world of your twin flame for the balancing of mutual karma.

Try the following prayer or make up your own. Giving it aloud increases its power.

In the name of the Christ I call to the blessed I AM Presence of our twin flames for the sealing of our hearts as one for the victory of our mission to humanity. I invoke the light of the Holy Spirit for the consuming of all negative karma limiting the full expression of our divine identity and the fulfillment of our divine plan.

2. Can you think of examples from opera, art and literature that illustrate the love typical of twin flames? Any others besides those on pp. 53–58?
